Don't shine
 so others
 can see you.
 SHINE
 so that
 through you
 others can see
 HIM.
 C.S. Lewis

We have different gifts, according to the grace given to each of us. If your gift is prophesying, then prophesy in accordance with your faith; if it is serving, then serve; if it is teaching, then teach; if it is to encourage, then give encouragement; if it is giving, then give generously; if it is to lead, do it diligently; if it is to show mercy, do it cheerfully.

Romans 12:6-8

Deacon's Year End Report 2025

The deacons want to say thank you to the congregation for their giving in 2025!

General Fund Giving:

Our Church's budget goes from July 1 to June 30th each year. Our General Fund at the end of our fiscal year, June 30, 2025 was positive (income over expense) \$16,814 due to an estate gift toward the general fund at the end of the fiscal year. Without the estate gift we would have been a negative \$11,000.

In 2024, our general fund was a negative \$21,500

We are half way through our budget year. Our largest giving month to the General Fund is in December. At the end of December the General Fund was positive \$6,763. In 2024, it was positive \$41,862 at the end of December. The difference is because our expenses are up \$12,311 and our collections are down \$22,858 over last year.

Based on the previous years we will likely be in the negative at the end of the fiscal year in June unless we increase our giving.

Our church has always been a church that, when asked, gives generously when there is a need. As Deacons we are telling you there is a need to increase our general fund giving. We have been running on a bare minimum for some years now and there are things we would like to do as a church, but we do not have any extra money to do anything except pay our basic bills without dipping into reserves.

Sunday Morning Loose Offerings: Starting February 8, 2026, money placed in the collection plate during the morning service without any designation or in an offering envelope, will go to the general fund. Currently, those funds are going to the Christian Education Assistance Fund.

Christian Education Assistance Fund: Each year our church helps families who chose a Christian day school with 8-15% of their total tuition depending on the number of kids. That has been totaling around 20,000 to 25,000 a year. That money is paid from donations to the Christian Ed Fund. That Fund will have a greater need next school year.

Ministry Shares: In 2024/25, our ministry shares commitment was \$22,000 to Classis and \$25,000 to the denomination. In 2025/26, our commitment was \$14,470 Classis and \$22,000 to the denomination. We will be determining our 2026/27 commitment soon.

Causes: In 2024, our church gave \$71,411 to local and denominational causes. In 2025, our church gave \$69,055.

If you have questions, contact Kris Keegstra, Deacons Chair, Dave Vollink, Treasurer or another deacon.

This unique scripture writing plan includes 31 days of scripture, so you can use it during any month. We recommend reading for context first, then writing each day's verses in a notebook or our faith journal. Feel free to make this study your own by reading each passage aloud, highlighting or color-coding important words, or jotting down questions for further research.

THE DASH POEM

By Linda Ellis

I read of a man who stood to speak at the funeral of a friend.

He referred to the dates on the tombstone
from the beginning to the end.

He noted first came the date of the birth and
spoke the following date with tears.

But he said what mattered most of all was
the dash between the years.

For that dash represents all the time that
they spent life on Earth.

And now only those who loved them know
what that little line is worth.

For it matters not how much we own,
the cars, the house, the cash.

What matters is how we live and love,
and how we spend our dash.

So, think about this long and hard. Are there
things you'd like to change?

For you never know how much time is left that can still be rearranged.

If we could just slow down enough to consider
what's true and real, and always try to understand
the way other people feel.

Be less quick to anger and show appreciation more,
and love the people in our lives like we've never loved before.

If we treat each other with respect and more often
wear a smile, remembering that this special dash
might only last a little while.

So, when your eulogy is being read with
your life's actions to rehash,
would you be proud of the things they say
about how you spent your dash?

LOVE IS Action!

Love isn't just a feeling — it's something we do! This simple activity reminds us that acts of love, big or small, can grow and bless others.

What you need:

- Construction paper (brown for the trunk, pinks and reds for hearts)
- Scissors
- Glue or tape
- Markers or crayons

What you do:

1. Cut a large tree trunk and branches out of brown paper and glue it onto a sheet of paper or poster board.
2. Use colorful paper to cut several hearts — these will be your "leaves."
3. On each heart, write loving actions like "share my toys," "pray for others," or "help clean up."
4. Glue the hearts onto the branches to create a full, love-filled tree.
5. Hang it somewhere visible as a reminder to put love into action every day!

Mark 12:30

1st allendale crc

Nora vander wal
Allendale, MI

Have you ever been home on Sundays with nothing to do and you're staring at the wall and no one's home to play or hang out. 1st Allendale crc in Allendale is a great place to cure your boredom. There are great worship sessions at 5734 Country View Dr. In my opinion you should go to 1st Allendale crc, because they have great worship services clubs and classes for kids.

The first and most important reason why you should go to 1st Allendale crc is that they have amazing worship services. It goes for an hour for Jesus lessons and a lot of songs. They provide pens and paper for kids to draw on and bibles and music to follow along with the pastor. They have worship papers for kids to fill out when the pastor is reading the bible. The kids can fill out the questions and draw on the back. Apparently they have papers for anyone who wants to know what we will do, and they have word puzzles to find the missing thing and jumbled up words you need to solve those you will find before heading in the worship center. And that is why you should go to 1st Allendale crc for worship services.

Second, they have classes for kids. babies up to 1 year olds have a class with 3-4 adults taking care and playing with the kids. There also is a class for kids 2-4 while the parents are in the worship center. They provide snacks, toys and dance parties. they have a mini lesson to learn about god. The next class is children's worship. It is for kids in the 5-1st grade. They have it in the middle of the church lesson they will leave to go downstairs for a lesson about god, snacks and a little play time. The rest of the classes are after the sermon there's a class for 2nd grade -3rd grade 4th-5th 6th-8th and boys high school class and girls high school class all the classes provide snacks and a review of what they learned. That is my second reason that you should go to 1st Allendale crc.

Lastly they have clubs for kids. up to 8th grade one is called gems. It is for girls only; they provide snacks, worship lessons, individual class sessions (sorted by grade) and songs. There is another one for boys called cadets that provide worship lesson snacks and life lessons. They also build a lot of cool things. In the summer there is a club called bible bee for all ages and for parents they have worship lessons, games and songs. And one more club called jr jam it's for 6th grade to 8th grade they provide snacks, worship lessons and fun games. And jam is for high schoolers on Sunday night. They also provide the same things as jr jam they are the same night but they are just in different rooms. And that is my last reason why you should go to 1st Allendale crc for clubs.

As you can see you should go to 1st Allendale crc, because they have great worship services clubs and classes for kids. If you are still debating on going to 1st Allendale crc you should try going to a worship service on a sunday and if you like it then you should try some clubs! I hope you like 1st Allendale crc just as much as I do!

DID YOU KNOW....

THAT Ed and Dar Diemer traveled out to Arizona, along with Michelle and Melissa with their horses to ride and enjoy the beautiful sights. The twins weren't looking forward to coming back to our Michigan weather!! Brrr! What a fun thing to do!!

THAT Nora Vander Wal, daughter of Jon and Brittany, was challenged by her teacher to write a paper on a business that she would recommend to a new family that just moved into the area. She chose to write the opinion essay on our church! Wow! Great job, Nora!

We can all learn from this young lady about promoting our church in the community. The essay is included in this issue of First in Focus.

THAT Bob and Judy Knoper were blessed with another grandchild, Bridger Sidney Miedema on January 10. He was born to

Jordan and Casey Miedema and welcomed home by big sister Decklyn. In addition to this blessing, Bob and Judy are also looking forward to another grandson the

first part of June! Congrats to Clay and Robyn Zwart in anticipation of this wonderful blessing as well!

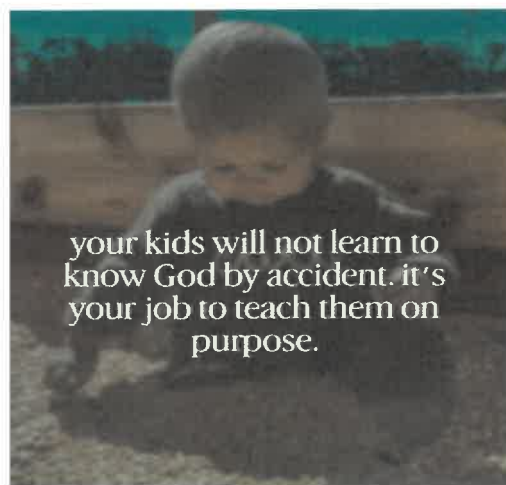

THAT when you replace “why is this happening to me” with “what is God trying to show me”, everything changes.

THAT Phil and Eileen Moelker were blessed with their 4th Great Grandchild, Everly Michelle Holwerda, born to Jason and Marissa Holwerda on January 14. She decided to arrive and surprise everyone 2

½ weeks early, but is very healthy. She was smothered in kisses by her big brother, Easton. We are so thankful to God for His constant love, care and blessings!

THAT a happy family doesn't just happen overnight. It begins with a good man – one who chooses love over anger, understanding over pride, and faithfulness over temptation. When a man leads with love, his wife feels secure, his children feel protected, and his home becomes a peaceful place where everyone wants to come back to.

your kids will not learn to know God by accident. it's your job to teach them on purpose.

Healthy Moms and Babies

Pregnancy Centers promote maternal and child health, women's health and overall well-being.

Mental Health Benefits

Pregnancy Centers avert mental health impacts of abortion for women, which include elevated rates of depression, substance abuse, and even suicide.

Reduced Repeat Abortion

Pregnancy Centers reduce rates of repeat abortion, which account for an estimated 45% of abortions in the United States, according to research published by the Guttmacher Institute.

Empowers Families

Pregnancy Centers offer education and resources to help empower women to make positive choices for life.

Reduced Preterm Births

Pregnancy Centers reduce the incident of preterm birth. A risk has been identified between previous induced abortion and subsequent preterm birth in numerous published studies internationally for over three decades.

Six Important Reasons

to Oppose Legalizing Physician-Assisted Suicide

1

Insurance companies will deny life-saving treatment

Stephanie Packer was told her insurance company wouldn't cover her life-saving treatment, but was instead offered assisted suicide drugs for a \$1.20 co-pay.¹ Canadian officials estimated that euthanasia and assisted suicide reduce annual spending between \$34 million and \$138 million, versus the cost of lethal drugs being between \$1.5 million and \$14.8 million.²

2

No screening for depression

Ruthie Poole experienced severe depression and could relate to the desire of a "painless and easy way out." In Oregon, only a dismal 3.3% of patients who have died by assisted suicide were referred for psychiatric evaluation.³

3

Life expectancy after terminal diagnosis unreliable

Jeanette Hall from Oregon was diagnosed with terminal cancer in 2000 and asked for assisted suicide. Her physician convinced her treatment could be beneficial, and she is alive today. A study of terminal prognosis accuracy found only 20% accurately predicted when death would occur.⁴ 1 in 8 hospice patients outlive the 6-month terminal prognosis window.⁵

4

Suicide contagion is real, targeting seniors and veterans

A Veterans Affairs Canada staffer brought up the topic of assisted suicide when one veteran sought assistance to treat his PTSD and traumatic brain injury.⁶ After Oregon legalized assisted suicide, suicides in the state increased twice as fast as national rates.⁷ In Oregon and in Switzerland, suicide comparative-studies have been conducted due to assisted-suicide being legal. Studies showed older adult women avoid suicide except when physician-approved.⁸

5

People with disabilities fear coercion and abuse

Stephanie Woodward fears assisted suicide for people with disabilities like herself: "Any doctor could prescribe a lethal dose and any person could administer that dose to kill a person, with medical confidentially preventing any oversight. No independent witness is required during the death of an individual, so there's no way to ensure that the individual administered the lethal dose himself or herself. In a world where abuse of people with abilities and seniors is rampant, this alone is cause for concern."⁹

6

Proponents of assisted suicide quickly move to eliminate safeguards

Proponents tout "safeguards" and "guidelines" in assisted suicide legislation, but quickly move to eliminate them after legalization of PAS. These include reducing or eliminating: waiting periods, residency requirements, self-administration of lethal drugs (allowing euthanasia), and the requirement that the person has a terminal illness.

“Remember this: Whoever sows sparingly will also reap sparingly, and whoever sows generously will also reap generously. Each of you should give what you have decided in your heart to give, not reluctantly or under compulsion, for God loves a cheerful giver. And God is able to bless you abundantly, so that in all things at all times, having all that you need, you will abound in every good work.”
